1 Aims

- 1.1 Highclare School aspires to high levels of attendance from all pupils. Good attendance is essential for all pupils to get the most out of their school experience, including their attainment, well-being and wider life chances. The Governors and Head recognise that improving attendance is a school leadership issue and has appointed a designated senior leader in the Senior and Preparatory schools to have overall responsibility for championing and improving attendance in School, referred to in this policy as the School Attendance Champion (SAC).
- 1.2 The aims of this policy are as follows:
 - 1.2.1 to develop and maintain a whole school culture that promotes the benefits of good attendance;
 - 1.2.2 to ensure, so far as possible, that every pupil in the School is able to benefit from and make their full contribution to the life of the School;
 - 1.2.3 to prioritise and where possible improve attendance and punctuality across the School, reduce absence and set out the School's approach to the management of absence / non-attendance;
 - 1.2.4 to recognise the linkages between attendance / absence and pupil wellbeing, specifically ensuring a consistent whole school approach to safeguarding; and
 - 1.2.5 to help to promote a whole school culture of safety, equality and protection.

4 **The importance of good attendance**

- 4.1 The School recognises the importance of developing good patterns of attendance from the outset. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:
- 4.1.1 the importance of good attendance, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life;
 - 4.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;
 - 4.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and parents;
 - 4.1.4 that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and

- 4.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

5 School responsibilities

- 5.1 The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.
- 5.2 The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and parents.
- 5.3 Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.
- 5.4 The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.
- 5.5 The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-attendance and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

6 Staff responsibilities

The SAC

- 6.1 The Head has appointed members of the School's Senior Leadership team as SACs to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.
- 6.1.1 The SAC's responsibilities are:
- (a) to set a clear vision for improving attendance in school;
 - (b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;
 - (c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;
 - (d) to have oversight of and analyse attendance data; and
 - (e) to communicate clear messages on the importance of attendance to pupils and parents.

6.2 Staff with specific responsibilities for attendance²:

The staff identified in Appendix 1 of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:

- 6.2.1 have a formal routine for registers being taken accurately each morning and afternoon;
- 6.2.2 seek explanations of absences required from pupils on their return to School;

- 6.2.3 make enquiries about unexplained absences, including those within the school day, and follow up with pupil to ensure that an explanation has been formally given to the School;
- 6.2.4 look out for trends or patterns in a pupil's attendance and inform the SAC of any specific concerns;
- 6.2.5 deal with lateness to lessons consistently and promptly;
- 6.2.6 consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour and discipline policies; and
- 6.2.7 discuss non-attendance and / or lateness with pupils and parents (where possible) and emphasise the importance of punctuality and attendance.

6.3 **All staff**

- 6.4 The School ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and parents about it.
- 6.5 The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

7 **School arrangements**

- 7.1 The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about the School's arrangements can be found in Appendices Appendix 1-Appendix 3.

8 **Monitoring attendance**

- 8.1 The School will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the School and develop strategies to address them. Such analysis may include:
 - 8.1.1 monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;
 - 8.1.2 using this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead);
 - 8.1.3 conducting thorough analysis of half-termly, termly, and full year data to identify patterns and trends;
 - 8.1.4 benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;
 - 8.1.5 devising specific strategies to address areas of poor attendance identified through data;
 - 8.1.6 monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and
 - 8.1.7 providing data and reports to the Proprietor to support its work.

9 **Pupil responsibilities**

- 9.1 School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.

- 9.2 Pupils should be aware that:
- 9.2.1 they are expected to be present in-person for the duration of each School day;
 - 9.2.2 they are expected to arrive on time and attend all timetabled lessons;
 - 9.2.3 they should not leave a lesson or the School site without permission or otherwise in accordance with School rules;
 - 9.2.4 they should engage with the School's arrangements for recording and managing attendance as set out in this policy;
 - 9.2.5 any unexplained absence will be followed up;
 - 9.2.6 persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:
 - (a) offers of support to seek to identify and address any barriers to attendance;
 - (b) communication with parents;
 - (c) reporting to other agencies such as children's social care; and
 - (d) sanctions against them or their parents in line with the School's behaviour policies.
 - 9.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although the School encourages them to speak to their Form Tutor/Class teacher or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

10 Additional needs

- 10.1 The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 10.2 The School will make reasonable adjustments³ where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.
- 10.3 It will also work with parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g. ensuring the provision outlined in a pupils education, health and care plan is accessed.⁴
- 10.4 Suitable strategies will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance⁵.
- 10.5 Where barriers are outside of the School's control, the School will work with parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.

³ In this case to meet the school's duty to make reasonable adjustments for pupils with a disability under section 20 of the Equality Act 2010.

⁴ The Mental health issues affecting a pupil's attendance: guidance for schools states in the non-statutory summary of responsibilities document that 'in many cases the school may be able to agree with parents / carers adjustments to its policies and practices that are consistent with the special educational provision set out in the EHC plan. In other cases, additional or different attendance support identified may require the LA to review or amend an EHC plan.'

⁵ See Mental health issues affecting a pupil's attendance: guidance for schools which includes a Summary of responsibilities where a mental health issue is affecting attendance and Support for pupils where mental health is affecting attendance: effective practice examples

10.6 The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.⁶

11 Parent / carer responsibilities

11.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.

11.2 This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.

11.3 The School will help parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short and long term consequences of poor attendance.

11.4 Expectations the School places on parents can be found in Appendix 1 of this policy

11.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

12 Training

12.1 **Staff:** The School ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:

12.1.1 the importance of good attendance and that absence is almost always a symptom of wider circumstances; and

12.1.2 the School's strategies and procedures for tracking, following up and improving attendance.

12.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral or family support staff and senior leaders. This should include:

12.2.1 the law and requirements of schools including on the keeping of registers;

12.2.2 the process for working with other partners to provide more intensive support to pupils who need it;

12.2.3 the necessary skills to interpret and analyse attendance data; and

12.2.4 any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

12.3 The School maintains written records of all staff training.

⁶ See paragraph 57 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024

13 Information sharing

- 13.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.
- 13.2 The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familial harms).
- 13.3 Where appropriate the schools will attend regular targeting support meetings.⁷
- 13.4 The School is legally required to share information from the registers with the local authority. As a minimum this includes:
 - 13.4.1 New pupil and deletion returns;
 - 13.4.2 Attendance returns⁸;
 - 13.4.3 Sickness returns.
- 13.5 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.
- 13.6 The School must provide specific pupil information on request to the Secretary of State. The School meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE⁹. The School also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.]
- 13.7 Where appropriate, the School is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

14 Record keeping and confidentiality

- 14.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 14.2 The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published privacy notices on its website which explain how the School will use personal data.

⁷ Targeting support meetings are meetings local authorities have with schools to discuss attendance data and identify pupils and cohorts at risk of poor attendance and agree targeted actions and access to services for those pupils. See chapter 4 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

⁸ Schools are required to provide attendance returns to the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been recorded as absent for a continuous period of ten school days where their absence has been recorded with one or more of the national attendance codes (G, N, O, and/or U). Individual local authorities must agree the frequency that attendance returns are to be provided with all schools in their area. This should be no less frequently than once per calendar month - see chapter 2 and content on sharing information in the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

Appendix 1 School arrangements

1 Managing attendance

- 1.1 The School monitors, records and shares data about pupil attendance and as part of its duty to safeguard and protect pupils and promote attendance. It accurately completes admission and attendance registers¹⁰ as required by law and set out in Appendix 2 and Appendix 3 respectively. The admission and attendance registers must be kept electronically and retained by the School for the relevant time period as stated by law.
- 1.2 The School expects all pupils to be present at School for the whole of the School day, usually from registration at 8.45am (Prep School) / 8.30 am (Senior School) to dismissal at 3.25pm (Prep School) / 3.30pm (Senior School). This period may be extended, for example for Sixth Form lessons, out of school clubs, sports fixtures or school trips.

2 The role of Parents

- 2.1 The School expects all Parents to:
 - 2.1.1 notify the School of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this; and
 - 2.1.2 cooperate with the School to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.
 - 2.1.3 make any application for an authorised leave of absence at the earliest opportunity
- 2.2 Should ensure their child attends School for morning registration each day;

3 Registration and attendance checks

- 3.1 Morning registration is at 8.30am (Senior School) or 8.40am (Preparatory School). The registers will remain open for 10 minutes after the start of morning registration.
- 3.2 Afternoon registration will be at 1.30pm and will be taken by the teacher of the first afternoon lesson.
- 3.3 In Senior School, registers will also be taken at the beginning of each lesson in order to identify and follow-up on absences that might occur after morning or afternoon registration.

4 Reporting unexpected absence (sickness, emergency appointment or family circumstances)

- 4.1 If a pupil is to be absent from School for any reason, the parent should contact the following below by telephone as early as possible, by 8.25am on first morning of absence;
- 4.2 Where a pupil is ill, the School should be notified of the nature of the illness.
- 4.3 Absence will be recorded on the Attendance Register as set out in Appendix 33.
- 4.4 If a pupil needs to leave School during the day for any reason, eg. a medical appointment, this should be reported in the same way as an absence, with details of collection arrangements for the child, including expected time of collection. Proof of the appointment should be sent or brought on collection.

Arrangements for reporting subsequent absence

- 4.5 Unless specifically agreed otherwise by the SAC, parents should telephone on each subsequent day of absence.
- 4.6 If the pupil is unable to come into School, but is able to complete School work at home, then the child's teacher/form tutor should be contacted to make appropriate arrangements.
- 4.7 If it becomes clear that the initial absence is likely to extend for a period of 3 or more days then the appropriate SAC should be contacted to discuss ongoing arrangements, including setting work or plans needed to ensure a return to School as soon as possible.

5 Managing absence

- 5.1 Once registers have closed, the Attendance Assistant will begin to contact parents of any pupil whose absence is still unexplained.
- 5.2 Depending on absence level, we may use text messages and emails to contact parents in the first instance as well as direct telephone calls.
- 5.3 All parents should have been contacted prior to 10.00am about unexplained absence.
- 5.4 Registers will be updated by the Attendance Assistant once contact has been made and the appropriate register code assigned.
- 5.5 Where applicable, the Attendance Assistant will inform the relevant site reception, teacher or Senior Leaders about any further information received.
- 5.6 In cases where a parent is expecting the pupil to be in School and they are not, the Missing Child Policy will be followed.
- 5.7 The Attendance Assistant will run an absence report each week for the SACs.
- 5.8 Concerns about absence will be followed-up with parents initially, and where necessary the Local Authority. SACs will work with pastoral staff, parents and pupils to remove barriers to attendance and support families to improve attendance.
- 5.9 If a child leaves the premises during the School day without permission (truants), the Missing Child Policy will be followed and sanctions in line with the Behaviour Policy may be applied.

6 Authorised absences

- 6.1 Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.

7 Applications for an authorised leave of absence (one or more full days of absence known about in advance)

- 7.1 Applications for authorised leaves of absence during the School term will only be granted in exceptional circumstances and will only be permitted if made in writing to the Head or Head of Preparatory School using the VLE or emailing headsecretary@highclareschool.co.uk / stpaulssecretary@highclareschool.co.uk / woodfieldsecretary@highclareschool.co.uk .
- 7.2 The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.

- 7.3 Apart from illness, no pupil should be away from School without prior permission from the Head / Head of Prep School.
- 7.4 Dental or medical appointments should be made during School holidays except in cases of emergency when reception at the relevant school site should be informed. Proof of appointment is needed.
- 7.5 If a leave of absence is granted, it is for the Head/Head of Prep School to determine the length of the time the pupil is permitted to be away from School. It will be recorded as an authorised absence. See section 3 of Appendix 3 for more details.
- 7.6 A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which parents and pupils belong. Parents are expected to make a request for this type of leave of absence in advance.

8 **Reporting duties**

- 8.1 The School has statutory reporting obligations if a pupil fails to regularly attendance their absence is unauthorised. The School must report unauthorised absences for a continuous period of 10 days or more to the local authority.
- 8.2 Action will also be taken in accordance with the Missing Child Policy and Safeguarding Policy if any absence of a pupil from the School gives rise to a concern about their welfare.

3 Remote education

- 3.1 The School is required to record all absence from in-person lessons.
- 3.2 The School may, in limited circumstances, provide remote education to enable pupils, who are well enough to learn but unable to attend the School site, to keep pace with their education.
- 3.3 In the limited circumstances when the School decides to use remote education for individual pupils when they are absent, the following will be considered:
 - 3.3.1 ensuring mutual agreement of remote education by the School, parents or carers, potentially pupils, and if appropriate a relevant medical professional. If the pupil has an Education, Health and Care plan or has a social worker, the local authority should also be involved in the decision;
 - 3.3.2 if remote education is being used as part of a plan to reintegrate back to school, putting a formal arrangement in place to review its efficacy regularly, alongside identifying what other support and flexibilities can be put in place to help ease the pupil back to school at the earliest opportunity;
 - 3.3.3 setting a time limit within which the period of remote education provision should be reviewed, with the aim that the pupil returns to in person education with the required support in place to meet their needs.
- 3.4 Pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. The School will keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register. Where appropriate, this information may be used to make plans for a pupil's reintegration to school.
- 3.5 The School will utilise a digital education platform that will be kept up-to-date and keep pupils safe. Staff will remain trained and confident in its use.
- 3.6 The School has an established remote education plan in place as part of the Curriculum Policy which is reviewed annually

4 Unauthorised absence

- 4.1 The "unauthorised absence" code will be used when prior permission for absence has not been given and where the School is not satisfied with the explanation given for absence or delayed attendance meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate. Examples include:
 - 4.1.1 holiday has not been authorised by the School or is in excess of the period determined by the Head;
 - 4.1.2 the reason for absence has not been provided;
 - 4.1.3 a pupil is absent from school without authorisation;
 - 4.1.4 a pupil has arrived in school after registration has closed and without reasonable explanation.
